Re: In re Norvergence

Dear Dan:

Report from Court: The hearing just closed. The court has converted the case to a chapter 7 liquidation and is putting in a trustee. **Qwest will be permitted to shut down its lines at 5:00 Eastern Tomorrow**, assuming the trustee is in place today.

We approached T-Mobile and Sprint, and they are going to make a proposal to keep the cell customers.

We will follow with additional updates as soon as we can.

Very truly yours,

SJF/mys

Sigmund J. Fleck
